LOOK WHAT I FOUND!!!

@xenon\_110

I was just going through my old bookshelf and I found my all time favorite childhood comic!!! I can't express in words how happy I am right now. I hope its relatable... 🐶

Y'all remember these mega pencil boxes?

@kayontheroll

I saw my lil cousin with this pencil box and it just hit me with huge nostalgia 🥹

How I used to literally beg to my parents to buy me one of these boxes just to impress my that time school crush with such multipurpose pencil box. Man those were the days... 🤔
